3. Annual Meeting

06/05/2024 ACC discussed potential measures for annual meeting, which may include: update view policy, create artificial turf policy, update driveway parking policy, and recommendation on dues increase.

UPDATE 08/07/2024 Discussed potential dates for annual meeting, focusing on first week of November. Will discuss further in September.

UPDATE 09/04/2024 Discussed annual meeting date, and best times. All agreed to Wednesday, November 13, at Rosehill Community Center, Mukilteo.

UPDATE 10/02/2024 Discussion lead by Folsom to consider a fine for view obstruction and non-compliance, to CCR changes in reference to ACC responsibilities, for the 2024 annual meeting. This fine would facilitate and incentivize compliance in a timely matter. Members that are found to be impairing a protected view will still have the opportunity to present their case to the Board, before a fine is imposed. ACC members were in concurrence and recommend the Board to include this new fine on proposed changes to CC&Rs for 2024 annual meeting.

Discussion lead by Folsom to incorporate the most recent adopted Policies by the Board, to add those policies to the CC&Rs. To include:

- 1) Expand the ACC Team from 5 to 7 positions to better balance the management of the HOA
- 2) Add a process for handling homeowner ACC Submission of Plans application that expands the response time, assesses a penalty if the homeowner does not comply with the ACC final determination within 30 days of such ACC final determination.
- 3) Prohibit the building of Accessory Dwelling Units (ADU's) on existing Homeowner's lots.
- 4) Add detailed Window Policy to the CC&R's.
- 5) Add detailed Solar Panel Policy to the CC&R's.

The Board also discussed adding two additional CCRs, with number seven (7) recommended by the ACC.

6) Transfer all reasonable attorney fees and arbitration fees to the Prevailing Party if Arbitration is pursued by any Party.

7) Add a new fine for view obstruction violation(s) which Homeowner has not resolved after the ACC has sent written notification to Homeowner and a hearing has taken place between the ACC and Homeowner.

After additional discussion, motion by Folsom to place the following CC&Rs on the 2024 ballot:

- 1) Expand the ACC Team from 5 to 7 positions to better balance the management of the HOA
- 2) Add a process for handling homeowner ACC Submission of Plans application that expands the response time, assesses a penalty if the homeowner does not comply with the ACC final determination within 30 days of such ACC final determination.
- 3) Prohibit the building of Accessory Dwelling Units (ADU's) on existing Homeowner's lots.
- 4) Add detailed Window Policy to the CC&R's.
- 5) Add detailed Solar Panel Policy to the CC&R's.

The Board also discussed adding two additional CCRs, with number seven (7) recommended by the ACC.

6) Transfer all reasonable attorney fees and arbitration fees to the Prevailing Party if Arbitration is pursued by any Party.

4. View Issues

07/03/2024 Homeowner on Club House Lane asked the ACC to re-open previous view complaint of home below on Preswick Lane near Bayview. Stated trimmings of branches have re-grown into place, again partial blocking of view. ACC will further investigate and address as appropriate.

UPDATE 08/07/2024 Homeowner on Preswick Lane is looking into remedies, and should have additional information in September.

UPDATE 08/07/2024 New complaint from homeowner on 59th on neighboring home, golf course view.

UPDATE 09/04/2024 Homeowner on Preswick Lane, with an active view impairment against the property, homeowner, provided a printed presentation of what he has done so far to remedy the view complaint. The homeowner stated that there are other trees to the right and to the left of his trees that also block the view of the homeowner on Club House Lane and that it is not fair to be singled out. The ACC will coordinate with the Club House Lane homeowner to initiate a view impairment complaint against all offenders.

UPDATE 10/02/2024 New view impairment complaint from homeowner on 59th and St. Andrews Complainant has attempted to make contact with member potentially affecting the view, to no avail, and has requested assistance from the ACC. Birney and Rystrom performed a site visit on Sept 11, with printed photos. Homeowners declined to look at, or receive the photos, and stated that they will have their landscapes cut back some of shrubs blocking the views. Compliance letter mailed on approximately September 14, 2024.

UPDATE 11/04/2024

59th and St Andrews view issue: Homeowner impairing the view completed some trimming, however, it doesn't appear to the level necessary for the allowable 25%. A second compliance letter was sent out on October 18, 2024. Both parties have retained legal counsel. HOA will still be involved.
